

## Oh Father Alan

Oh Father Alan what shall we do

We hear your gonna be leaving us and we don't know what to do

You've always been our preacher

You taught us how to pray

Oh Father Alan, it really is a sad day

Oh Father Alan please spare a thought

Who is going to talk to us, we really are distraught

We do enjoy your sermons

You talk a lot of sense

Oh Father Alan, you really are immense

So Father Alan go have a break

You do deserve to have some fun but we haven't got a cake

We've only got our singing

Our sunshine and our smiles

So Father Alan, well, we hope you like our style?

So Father Alan let's end with a prayer

You really should stand up you know we only think it's fair

Let's put our hands together

Let's bow our heads and pray

Dear Father Alan, we really wish you'd stay
