

**PE and Sport Premium**  
**St Saviour's Primary School 2016-17**

**Our Vision**

We, at St. Saviour's Primary School, endeavour to maintain a community of happy, confident, motivated lifelong learners. We want our children to be successful, motivated citizens who value, not only themselves but each other too. The nurture of 'challenge' enables all to be the very best they can be in all areas of the curriculum and school life.

**Rationale**

It is our strong belief that engagement in a range of physical activities will enable the children to truly discover not only their inner strengths but also challenge their misconceptions and simply enjoy the feeling of well-being that is associated with such activities.

Through our provision we aim to:

- Foster a love for and enjoyment of being active.
- Develop 'fitness for life' through promoting the health benefits of regular exercise.
- Identify talents.
- Develop self-esteem, confidence and social skills.
- Contribute to the physical development of each child.
- Give children a way of expressing themselves and an opportunity to be creative.
- Develop a range of skills that can be applied in other contexts.
- Give children the opportunity to try out activities that they would not otherwise have access to.

**PE and Sport premium 2016/17**

The yearly grant from the government has enabled us to continue to deliver high quality PE and sports. This grant is partly used to fund our SLA with the Tower Hamlets Youth Sport Foundation.

**Tower Hamlets Youth Sport Foundation**

The foundation was established in 2011 after the withdrawal of funding for school sports partnerships nationwide. In Tower Hamlets, schools and PE coaches/sports leaders wished to continue the excellent delivery of services. This would need to be funded partly by primary and secondary schools through establishing a service level agreement. The total cost of this SLA was £6,480 for the financial year 2016/17 and is based on the number of pupils on roll. We have bought into this each year.

This SLA gives us:

- Regular training for teachers and support staff
- Two after school clubs per half term. The sports vary throughout the year and all clubs are run by professional coaches.
- Sessions of curriculum support per week. These are led by sports development coaches and enables teachers to have high quality practical CPD in a range of sports. This year: Year 1 have had gymnastics; Year 4 have had dance; Year 2 cricket; Year 3 rugby; Year 6 judo and badminton
- Access to cluster and borough competitions/festivals in a range of sports. So far we have entered: cluster and borough football, cluster and borough indoor and outdoor hockey, borough cross-country, borough indoor cricket; borough swimming; Year 4 festival of tag-rugby; borough athletics.

- Access to the London Youth Games. This year our hockey team and one of our Year 6 girls athletes represented Tower Hamlets in the London Youth Games.

### **Impact**

The children have grown in confidence and skill year by year. This is evident in the levels of participation and popularity of our clubs and competitions. Once again there has been continued success in terms of competition wins and the amount of pupil participation:

- All year groups accessed curriculum support during the year, as mentioned above.
- 7258% of our children took part in extracurricular sport, (after school clubs).
- To date 67.45% of children have taken part in inter-school competitions, there are two more inter-school competitions to go.
- 100% took part in intra- school competitions.
- To date we have entered 12 borough wide competitions, reached finals in 8 of these and have won 3 team events and had some individual successes.
- We have also enjoyed participating in a Para Games Festival where some of our children were able to experience a variety of activities.
- Whilst we were unable to secure full teams for all the age ranges in the Cross Country Championships, we did enjoy individual successes with **Ruby Naughton** and **Tommy Ramsey** both coming first in their respective races, as well as, once again, our Year 5 Girls, **Elisha, Anya, Phoebe and Lily**, coming first in their team event.
- Our year 5/6 Hockey team, once again, won the Tower Hamlets Indoor Hockey Tournament for the third year running.
- School represented Tower Hamlets in the London Youth Games Hockey Tournament and we had representation in both the London Youth Games Cross Country and the London Mini-Marathon.
- To date we have entered one athletics competitions, once again we were unable to field a full team, however we did enjoy some individual successes and, whilst it is difficult to compete with larger primary schools, came 8<sup>th</sup> out of 12 in the Year 3/4 competition and 5<sup>th</sup> out of 13 in the Year 5/6 event.
- We again entered the Tower Hamlets swimming gala and were successful in gaining a podium spot in both the Year 6 girls breaststroke with Darcie-Rae Beney and the Year 5 girls front crawl with May Braidwood.

### **Swimming**

We now swim at the newly opened Poplar Baths, Years 3-6 attend on a Tuesday afternoon. All children are expected to attend and when there are subdivided into 5 groups depending on ability and water confidence.

### **PE and Sport Premium Grant 2016 - 2017**

The grant for the coming academic year will be spent in the following ways:

- Tower Hamlets Youth Sport Foundation -£6480
- Equipment/sports leader cover - £500
- Swimming venues and lessons £9892.35
- Medals for representation £200

### **Measuring the Impact**

- Lesson observations/monitoring
- Pupil evaluations/feedback
- Measurement of skills/levels attained (swimming)
- Assessment of skills at the end of each term.
