Dear Parents, Carers,

An incredibly enjoyable and busy week characterised by sport days! The children from years 3 to 6 took part in a Tower Hamlets competition with Engage to Compette at Mile End Park as part of the Olympic Legacy. Parents and children were interviewed by both the BBC and ITN and we were able to see them on screen in the evening. The children had a fantastic time and continued to do so throughout our Early Years, KS1 and KS2 Sports Days. Morgan Stanley supported us with their volunteers at each event that made a difference to how smoothly it all went each time.

Well done everyone! Thank you Mrs Prichard and staff.

We would like to say a great big thank you to everyone for their support and especially the staff and parents who organised and ran it. We raised over an amazing £1000.00 that will contribute towards the playground works you see are on their way. Thank you Mrs Sablon.

The Nursery has a tree house and KS1 will have their Space net and tree top walk in the summer. Year 5 and 4 are currently being extended to the outer reaches of the KS2 area. Please be extra vigilant during our building work and patient for any confusion created. We will have double the size of classroom afterwards which is thoroughly worth the temporary inconvenience.

Wishing you all a lovely weekend,  
Mrs Smith
