Dear Families,

It has been an extremely busy week in school yet again! It all started off quite quietly on Monday, the pace started to pick up on Tuesday, Year 6 had the pleasure of visiting the Hayward Gallery to see the exhibition by Carston Holler entitled 'Decisions'. Throughout the exhibition the children were challenged to make decisions about the artwork seen, this culminated in a final session where the children, in groups, had to construct a 3D sculpture based on their experience in the gallery.

Wednesday brought us the Year 1 assembly, a delight and mix of some fabulous storytelling, maths work and African drumming. Well done Year 1 you are a credit to both the school and your parents. Wednesday also saw the school send two hockey teams to a tournament in Stratford. Again they played with pride and passion and came second in both their groups.

Our budding musicians took part in a rehearsal for the upcoming London Symphony Orchestra concert with Nicola Benedetti, the world famous violinist and five other schools from Tower Hamlets. The rehearsal lasted for two hours, it was both fascinating and rewarding to see both the effort the children put in and the joy they obviously felt playing in such esteemed company. Can't wait for the performance this coming week!

On Friday much of the school was able to benefit from some more PATHS (Promoting Alternative Thinking Strategies) with Tim. This is promoting social and emotional aspects of learning including Pupil of the Day that is proving a great success!

As always we are mindful of children's safety and we ask that you ensure they are safe for the hot weather with providing them with sunhats and cream and drinking plenty of water.

Have a great weekend!

Mrs Smith
