Dear Families,

There are times when a sense of pride in the children's accomplishments can be overwhelming and this was one of those weeks!

Our marvellous musicians shone as they shared a stage with violinist Nicolla Bendetti. Absolutely amazing!

The children pictured with our new Mayor, John Biggs, at a Healthy Schools event and for our advanced status. Well done everyone for keeping healthy, we will go for Gold! Watch this space.

Reception class treated us to a fantastic assembly with wonderful story recitals and singing on being friends. Thank you children. If all of this was not enough, some of our Year 6 and 5 pupils have been scouted by England – a special well done to Honor! The thing about all of these achievements that makes them special, is that the children are doing all of this and achieving beyond academic tests whilst still doing their best in assessments. Although the passmarks have not been agreed by the Department of Education so we do not know how well the tests have gone, we are all proud of how they were approached and the attitude to learning that children have each and every day! Please look on the website for all the things that happen when you are not here – look at our singing of Hey You! Our playground improvement starts in Nursery next week, where a tree house will be built, designed especially for us. The work will then continue to KS1 play area before extending Year 4 and Year 5 classrooms this summer!
