

Weekly Newsletter

Dear Parents / Carers,

Welcome back and I hope you had a lovely half term! It is incredible to think that this time last year we were covered in snow!

This Week: On Monday Year 5 was lucky enough to visit the London Aquatic Centre in Stratford which opens up to the public this weekend. They had a tour of the poolside and the amenities and even got to see our Olympic diver Tom Daley! They have now managed to complete their cycle training after being rained off repeatedly.

Congratulations to Maya, Nimat, Teddy and Nathan who led the week's assembly with their vision for our Healthy Tuck Shop. The children will present this to parents at coffee morning.

We are collecting the **Active Kids Sainsbury's vouchers**, please feel free to collect and deposit them in the school office thank you.

Curriculum Spotlight:

You may be aware from the news that what we teach in schools and how we assess will be changing from September 2014. The subjects on the whole remain whilst the detail for some of them is different as are the expectations for our children. Every week the curriculum leaders will explain more about how we teach in each area and how we are preparing for the changes. The overview of curriculum rests with Mrs Prichard and myself whilst leaders in each area ensure that what we teach and how gives our children the best opportunities to achieve their best.

English: Mr Reed
Mathematics: Mr Hall
Religious Education: Mr Rowland
Physical Education & PHSE: Mrs Prichard
Science: Mrs Prichard & Mrs Smith
History & Geography: Mr Kelly
ICT or Computing: Mrs Smith
