

Dear Families,

Thank you for all your kind donations for Harvest Festival. We had an amazing amount of gifts for the Food Bank. We were also able to bring our school harvest from our apple orchard. The children have enjoyed eating some of the apples and raspberries this week. The children sung *The Feast of Life* beautifully.

Last term the children asked for our worship theme of the week to be added to the newsletter with something to think about. Our theme is *Gratitude and Harvest*, "Whoever is generous to the poor lends to the Lord and He will pay him for his deed" Proverbs. Anne Frank said "no one ever became poor from giving." Next week we will be getting our paints or glitter out for *Messy Harvest* run by Elizabeth, the parish Children's and Families Worker and thinking about saying thank you to special people.

Thank you for giving to our World's Biggest Coffee Morning, we raised £124.41

Mr Ali is running a half marathon for the Rainbow Trust Children's charity. If you would like to support him please give at www.justgiving.com/Mark-chads-norman.

Thank you to all who attended our dyslexia workshops, they found them very helpful. If you are interested in finding further support, missed the morning but would like the information, please contact Mrs Sablon.

Have a lovely weekend,
Mrs Smith

Coming up next week: Parent Consultation, a time to sit with your class team and child and discuss how we can all help them achieve their best.

Monday 5th October

Thursday 3rd October, from 4-6pm
Langley Hall, Aberfeldy E14
Fun for all the family

What is it?

A creative and "messy" time to explore the theme of Harvest; a short celebration involving a story prayer & songs; and a sit down meal together.

Story told by Martyn Payne

Martyn has written books for BRF including *Footsteps to the Feast*, *The People's Bible* and *The Big Story*.

Stars of the week:
